July 9, 2008 - Ithaca, NY and Fairfax, VA. WetStone Technologies, Inc. announced the availability of their Digital Investigation Suite of products and training through the GSA Schedule of its parent company, Allen Corporation of America, Inc. Our Federal Government customers are now able to purchase any of WetStone's products and training classes using GSA Contract Number GS-35F-0571J. To view our schedule, please visit www.gsaadvantage.gov.

About Allen Corporation - Allen Corporation of America (www.allencorp.com) employs more than 250 people throughout the United States. Allen is a dynamic, rapidly growing company that provides expertise in full information systems life cycle management, from analysis and design to operation and maintenance of IT products and systems. The company specializes in several major technology areas, including:

- Logistics and logistics support
- Cyber security
- Systems integration
- Training and distributed learning
- Digital and Voice over IP communications
- Enterprise management

Attention to detail and superior contract performance has earned Allen Corporation a reputation as an industry leader among our diverse customer base. Clients include federal, state and local agencies, commercial clients and academia. The company is a prime contractor on several federal government-wide contracts, including GSA schedules, and teams with many of the best-known and most respected companies in the IT industry.

About WetStone Technologies, Inc. - WetStone Technologies, Inc. was established in 1997 to advance digital investigation technologies and training. Today we focus our solutions and expertise on the challenges of eCrime Investigation, eForensics and eCompliance. WetStone is a subsidiary of Allen Corporation of America.
